Accessibility Statement

At Kojaman, we are committed to ensuring that our website is accessible and easy to use for everyone, including people with disabilities. We are continuously working to improve the user experience for all and applying the relevant accessibility standards.

Accessibility Standards

We strive to comply with best practices and standards defined in the Web Content Accessibility Guidelines (WCAG) 2.1 published by the World Wide Web Consortium (W3C). Our goal is to achieve AA level accessibility to ensure the widest possible audience can use our site.

Accessibility Measures

To ensure accessibility, we have taken the following actions: - Implemented a clean and simple design for easy navigation. - Provided alternative text for all images. - Ensured compatibility with assistive technologies like screen readers. - Maintained sufficient color contrast between text and background. - Enabled full keyboard navigation for all features.

Feedback & Suggestions

If you encounter any accessibility-related issues or have suggestions on how we can improve your experience, please contact us: ■ Email: support@kojaman.com We take your feedback seriously and will work diligently to make the necessary improvements as quickly as possible.
